A Message from Sue Henwood

November is the month of remembrance, beginning with the festival of All Saints on the 1st. November. We would, normally be having a memorial service in the Minster, but that has been postponed until people can return to church in greater numbers than is possible now. But do take time in this season to remember with thanksgiving those who have died this year, in spite of your feelings of sadness and loss. It is good to give thanks to God for those who have enriched our lives, and to be grateful for the love that has been shared.

At this time, as a nation, we both celebrate deliverance from destruction and war, and remember those who have died. Again, these times of remembrance will be very different this year – more individual and home-based and less community - based. However that does not make them any less sincere and meaningful – in fact probably more so. You could light a candle or say a prayer at home, put a picture of a poppy in your window, make a poppy wreath to put on your door. I'm sure you can come up with your own ideas or find something on a website to inspire you.

As we remember, we can also pray for those who are still suffering the effects of war - the bereaved, the injured, the refugees, and pray for lasting peace in areas of conflict.

Ever-living God,

*we remember those whom you have gathered from the storm
of war,*

into the peace of your presence;

may that same peace calm our fears,

bring justice to all peoples

and establish harmony among the nations,

through Jesus Christ our Lord.

Amen.

Sue

REMEMBERING

How do you remember things?

In bible times God's people would remember what God had done for them by building monuments made of stones and by holding festivals and celebrations to give thanks to God.

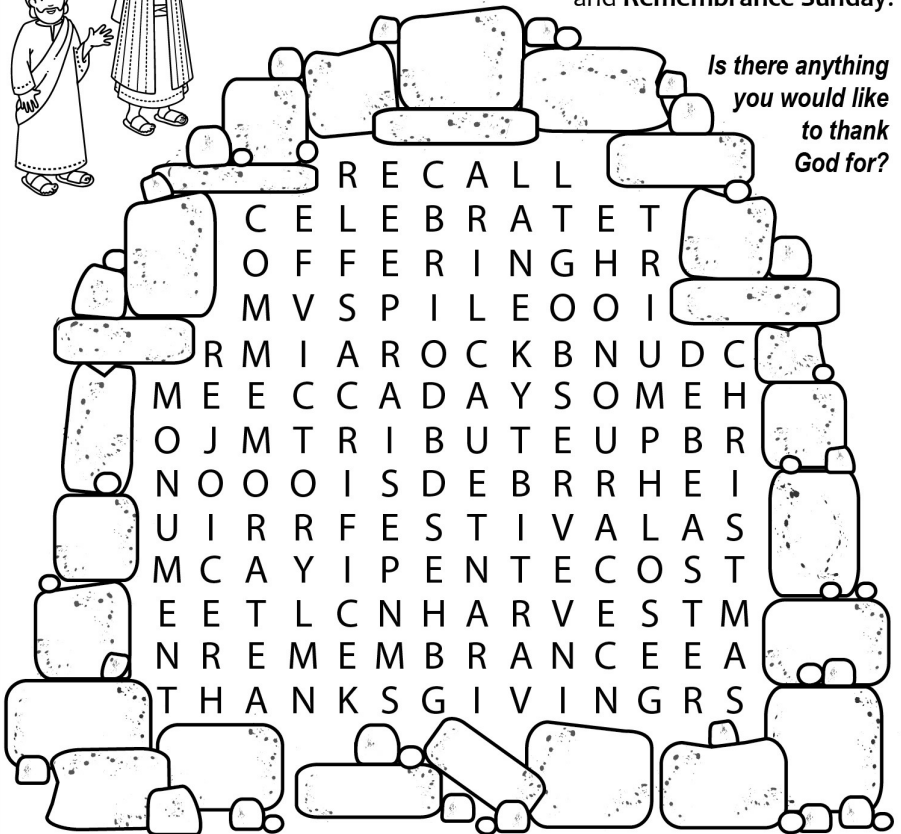

READ Joshua 4:1-9 and Exodus 12:1-14

Today we too build monuments to remember and hold services of thanksgiving like **Harvest** and **Remembrance Sunday**.

*Is there anything
you would like
to thank
God for?*

REMEMBRANCE • SACRIFICE • VICTORY • TRIUMPH • MONUMENT
 ROCK • PILE • OBSERVE • TRIBUTE • COMMEMORATE • RECALL • OFFERING
 HONOUR • CELEBRATE • PRAISE • REJOICE • THANKSGIVING • DAYS
 FESTIVAL • EASTER • PENTECOST • HARVEST • CHRISTMAS

Studley Isolation Support Group update

May 2020 Edition 2

Now, more than ever, the community in our village are pulling together to support each other. The Studley Isolation Support Group supports all those who are isolated, alone, elderly or vulnerable. With Studley in Business and the Parish Council, we have built a core team of around 50 volunteers who carry out tasks on a daily basis. So far we have supported 165 households and undertaken over 1000 tasks. These range from shopping, prescription collection to dog walking and daily newspaper deliveries.

Nothing is too much trouble for our volunteers, and we actively encourage anyone who is having to isolate, with no close family close by to help them, to give us a call on **07933 093268** from 9am to 5pm Monday to Saturday.

If you have a neighbour you are concerned about then please ask them to call us. Our aim is for everyone who is vulnerable to stay safely at home. No one who should be isolating needs to do any shopping, our volunteers are shopping ninjas!

We will be here for as long as necessary, and alongside our day to day tasks we can arrange for someone to call you for a chat, drop off some books or jigsaws, post letters etc. We are here for you.

**If you need help the Contact Phone number is: 07933 093268
Monday - Saturday 9am-5pm**

Please note that we operate a password system to protect you. Please do not open the door to anyone you don't know, unless they can tell you the password that YOU have chosen. There are scammers capitalising on the current situation, and we want everyone to stay safe. Always follow the Government's Social Distancing guidelines

We are still looking for volunteers, please contact us if you are willing to help..

Many volunteers are busy **sewing scrubs, bags, headbands and face-masks**. They are in need of new material (that can be washed at 60 deg), elastic & buttons about the size of a 2p. If you can help then please call the Isolation Support Group on 07933 093268.

Arden Foodbank is working hard to supply food parcels to our community. Anyone who is struggling can request a voucher. Parcels can be collected from the Methodist Church on Tuesday afternoons, or one of the Isolation Support Group Volunteers can collect and deliver it for you. To contact the foodbank please call 07733 551926. Food donations can be made via the collection box in the Co-Op, or by calling the Isolation Support Group on 07933 093268.

Nature jottings from Perrymill Lane July

14th Sept. The onomatopoeic calls of Chiffchaffs were still being heard in Coughton Park woods and near Sambourne Park today. I noticed an interesting looking fungus in the woods which the "Seek" app on the phone identified as *Amanita rubescens*. My field guide describes it as "*indigestible when raw, but harmless and good when cooked*". We were not tempted!

17th Sept. Today delivered our treat of the month. As we walked along the Monarch's Way footpath beyond Botany Bay nursery, we noticed a flock of 12+ birds which we recognised as Meadow Pipits. They landed on a fence and we realised that there was a different species amongst them. Looking through binoculars we could see that it was a Wheatear. Another different species was noticed close to this and we identified it as a Whinchat. These are both summer visitors to this country and we have normally seen them in mountain and moorland habitats, so I assume they were on their way from their summer haunts back to Africa for the winter. Both are very attractive birds.

20th Sept. The arrival of a Sparrowhawk in our garden instantly cleared the area of the small birds that had been busily feeding.

21st Sept. A doe Fallow Deer crossed our path in the woods.

22nd Sept. Chris spotted a Weasel in his Middletown Lane garden – not the first time.

27th Sept. During an early morning walk through the woods we had good views of a couple of Goldcrests and a mixed flock of tits. Several Chiffchaffs could be heard calling.

1st Oct. A Red Kite flew over us on our woodland walk.

6th Oct. A Heron was standing in a field off Sambourne Lane in Coughton.

11th Oct. A lady resident of Coughton Lane in Coughton told us of seeing three Stonechats in her garden, of a Muntjac that is regularly found in her garden shed, and of seeing nineteen Herons standing in a circle in a nearby field.

13th Oct. Overnight a couple of Lawyer's Wig fungi appeared in our gravel drive. These are good to eat but didn't suit our menu for the day!

14th Oct. Adam commented on seeing flocks of small brown birds in a clover field and around cattle. From his description these are almost certainly Meadow Pipits. Today we noticed numbers of Ladybirds on the house walls presumably seeking suitable hibernation sites.

Visiting Coughton Court this autumn...

If you're needing to step away from it all and reach a sense of calm, we've got the perfect autumn garden for you to explore. Admire the beauty of the golden tones of the trees and take a moment to notice how the water on a lake is still and peaceful. Listen to autumn wildlife in the trees or take a stroll surrounded by autumn colour. Jumping in crunchy leaves, discovering shiny conkers and enjoying invigorating fresh air with all the family — autumn is here for us all to embrace.

We've introduced advance booking to keep everyone safe and maintain social distancing. To avoid disappointment please book in advance, especially at busier times such as weekends and holidays. However, where space is available on weekdays, pre-booking may not always be necessary, however if you do not book we cannot guarantee admission.

At Coughton the parkland and garden (excluding the walled garden) are open for pre-booking, along with part of the house, car park, mini café, shop and toilet facilities.

Please remember that dogs on leads are welcome in the car park and on public footpaths across the estate, only assistance dogs are allowed through the archway which includes the garden, toilets and mini café.

On arrival please have your tickets, membership card and booking reference close to hand. We've set up a welcome point with our friendly team to check your booking and welcome you onto site. Please arrive within your half-hour timeslot, to help maintain social distancing and once your onsite your welcome to stay as long as you like until closing time at 5pm.

We're open from 9.30am so grab your wellies and woolly hat and enjoy a misty morning walk with a cup of coffee or a hot chocolate. Avoid the busy weekends and pop over and see us on weekday afternoons too where you can watch the seasons change in a beautiful setting. This year, with the kind agreement from the Throckmorton family, we're delighted to be open throughout November and part way through December - we look forward to welcoming you soon.
