Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. Alcester SNT currently consists of 2 Police officers and 4 Police Community Support Officers, and our contact details are shown above.

Following a week of activity targeting county lines drug dealing we're asking you to help us by looking out for the signs of young people being exploited by drug gangs.

People exploited in this way will quite often be exposed to physical, mental and sexual abuse, and will sometimes be trafficked to areas a long way from home to sell drugs.

Detective Chief Inspector Neil Readers, head of Warwickshire Police Proactive CID, said: "This was an extremely successful week that left drug dealers in Warwickshire significantly out of pocket. We also gathered a significant amount of intelligence that will help us to continue to target county lines criminals.

"Our intelligence has shown that following last week's activity the supply of drugs in some parts of the county has dried up considerably; this is great news for local people. Unfortunately, we know this won't last and this is why we are appealing for the public to help us tackle the problem.

"Please be aware of the signs of drug dealing and exploitation and report concerns to police. The information you provide could be the missing piece that helps us to protect a vulnerable person, bring offenders to justice and take drugs off the streets."
